Capture unused selling space with custom printed panels

- Custom printed die-cut panels are designed to display graphics along with your merchandise.
- PromoPanels™ are made of durable styrene or laminated cardstock.
- Choose from a variety of peg hooks to accommodate your products.
- PromoPanels™ can be applied to a variety of arms and brackets.
- FlexGrip brackets give way to sideways pressure.
- High density display reduces in-store restocking.
- Merchandise multiple products/price points per panel.
- Order with pre-packed products and store drop-shipping for added convenience.
